You Can Help!

Adopt a Ramp is a program to assist in the cost of the materials needed to help the RSVP Wheelchair Ramp Project build ramps for LaPorte County elderly and/or disabled residents who can not afford the financial burden.

Labor is provided by RSVP & Community Volunteers

Sponsor a ramp or a partial ramp with a materials donation – help a low-income LaPorte County resident remain independent and safe at home.

\$1000 for 1 ramp

\$500 for a partial ramp

All donations are tax deductible.
